

Greenwood Lot and South Lot Parking Map

As we move into the 2019-2020 school year, Appalachian State University Parking Department would like to remind you of the areas you may park while displaying a Greenwood / South Lot Permit. The Greenwood /South Lot permit allows parking in both the Greenwood Lot and the South Lot (baseball complex). **Please be advised, if Greenwood Lot is full it is NOT acceptable to park in a no parking zone, but you may go to South Lot and park there.**
