92. Duncan Rankin Parking Lot
94. Peacock Hall Parking Lot
97. Depot Street Gravel Parking Lot
101. McKinney Alumni Parking Lot

Important Notes

A university parking permit is required to park anywhere on campus from 7:00 a.m. to 5:00 p.m., Monday through Friday.

The Administration Parking Lot (56) is reserved for Faculty/Staff permit holders 24/7, 365 days a year.

All university parking lots have a regulatory sign at their entrance explaining which permit type is required during which hours and on which days.

The absence of a “No Parking” sign or pavement marking does not mean that parking is allowed. Per university policy, any area not specifically designated by pavement marks as a parking stall is considered a “No Parking Zone.”

We provide free thirty minute loading permits for students who wish to load/unload their vehicles on campus during regular business hours. Any student load/unloading on campus without a permit during business hours risks citation.
